

Photo Use Opt Out Form Camelot Community Club

Throughout the season, Camelot Community Club (CCC) members may from time to time be photographed and/or digitally recorded at pool-related activities and events for use in CCC marketing materials or for other CCC-related purposes.

To protect privacy, the subject's name will not appear with the images. Images will not be posted by CCC onto the CCC website or any other website.

If you wish to EXCLUDE your child's and/or family members' photograph or image from use, please indicate below and submit this form to a membership representative of the CCC Board.

The CCC will assume that permission to publish your child's or family member's photo has been granted unless this form is returned. You do not need to return this form unless you wish to exclude photos from use.

Swim and Dive Team members: Team members' photos will be taken for purposes of the annual team photo and annual swim team DVD production. Distribution of these items is limited to team families. In addition, photographs of meets often are taken and emailed to other team members and their families. This form does not apply to those types of photo uses.
